

You're invited to "Ask our Infection Prevention Experts"

Do you have questions about how to prevent or control infections such as COVID-19?
Wondering how to implement some of the practices discussed during trainings/webinars?
Seeking opportunities to troubleshoot problems or share ideas with peers?

Please join Comagine Health Infection Prevention (IP) Advisors for our "Ask our Experts" series during which your infection prevention questions are answered by our IP Advisors (APRN/RNs).

When: Our FREE Infection Prevention "Ask our Experts" sessions occur on Tuesday and Wednesday afternoons at 3:30 p.m. beginning February 16 through June 23, 2021. See the full schedule below.
