Join us to connect with and learn from others!

The Partnership to Advance Tribal Health (PATH) is offering this session to provide ongoing support for accreditation and certification questions and to ensure the PATH team is meeting hospitals' needs. This session will facilitate promising practice-sharing among individuals directly affected by accreditation and certification in their roles. Join us to learn from others and participate in discussions surrounding accreditation and certification.

Who should participate? The ideal participant will have:

- Some accreditation and certification knowledge or experience
- Questions regarding accreditation and certification
- Promising practices to share regarding accreditation and certification
- Active engagement throughout the session

Session objectives:

- Connect with other subject matter experts in other facilities.
- Learn about new requirements.
- Understand how the PATH team can support you during your accreditation and certification journey.

Session layout:

- The session is 45 minutes and intended to be a drop-in.
- The open call is for anyone wanting to learn and share information regarding accreditation and certification (e.g., facilities, area offices, PATH quality improvement advisors).
- Send us items you would like to discuss regarding accreditation and certification.
- Come with your questions and promising practices!
