

Presented by the Partnership to Advance Tribal Health (PATH) & IHS National Committee on Heroin Opioids and Pain Efforts (HOPE Committee)
In collaboration with IHS Clinical Support Center (Accredited Provider)

Re-visiting Screening Strategies in a New Era of Evidence-based Treatment for Substance Use Disorder (SUD)

Register for this education event!

Session Information:

- **Day:** Tuesday September 13, 2022
- **Time:** 1:00-2:00 p.m. ET | 12:00-1:00 p.m. CT | 11:00-12:00 p.m. MT | 10:00-11:00 a.m. PT
- **Register:** Register here and receive calendar hold. Registration is required for this free event <https://comaginehealth.zoom.us/meeting/register/tJwuceyrrjoqEtzHVvRsOBITNOt-qiV5L6>
- **Contact:** For more information, email PATH@Comagine.org

The Partnership to Advance Tribal Health (PATH), in collaboration with the IHS National Committee on Heroin Opioids and Pain Efforts (HOPE Committee), are excited to host Kathryn Hawk, MD, MHS and HOPE Committee member LCDR Kristin Allmaras, PharmD, BCACP for a discussion on substance use disorder (SUD) screening. This session will illustrate best practices in SUD screening, examine practices for treatment referral or treatment initiation for patients screening positive for opioid use disorder (OUD); and allow time for questions and discussion to support implementation strategies for best practices and practice improvement.

This presentation is open to everyone, and there is no fee to participate in this session. Continuing education credits will be provided for attending this educational event. See details on the next page.

Session Objectives:

- Illustrate how to appropriately screen patients for substance use disorder in the acute care setting
- Examine key components of motivational interviewing and fundamentals of Screening, Brief Intervention, and Referral to Treatment (SBIRT) in an acute care setting
- Explore Medications for Opioid Use Disorder (MOUD) and harm reduction strategies

Target Audience:

This series is open to anyone working within IHS. We encourage all Area and Local staff, including nurses, clinicians, pharmacists, quality and safety leaders, controlled substance officers, Opioid Use Disorder and/or Pain Management subject matter experts, health coaches, behavioral health teams, departmental managers, executive leaders, and other direct care staff, to join us.

About Our Presenters:

Kathryn Hawk, MD, MHS, is an attending physician in the Yale New Haven Hospital Emergency Department and an Associate Professor in the Department of Emergency Medicine, the Yale School of Public Health, and the Program in Addiction Medicine. She is joining us to discuss the latest research on evidence-based practices for acute care patients with SUDs, and strategies to initiate treatment in the ED and ensure effective, ongoing treatment post-discharge.

LCDR Kristin Allmaras, PharmD, BCACP, earned her Doctor of Pharmacy from North Dakota State University and completed a PGY1 pharmacy residency program at Southcentral Foundation/Alaska Native Medical Center (SCF/ANMC). She continued at SCF/ANMC for six years, serving as an integrated, clinical pharmacist in the Primary Care Clinic. She is the executive secretary for the IHS National Committee on Heroin, Opioids and Pain Efforts. Kristin moved from Anchorage, Alaska to Northern Minnesota and currently serves as a clinical pharmacist at the Red Lake Service Unit. She enjoys spending her free time with her husband, two small children, and their dog, Harper.

Disclosure Statement:

As a jointly accredited provider of continuing education, the IHS Clinical Support Center must ensure balance, independence, objectivity, and scientific rigor in its educational activities. Course directors/coordinators, planning committee members, faculty, reviewers and all others who are in a position to control the content of this educational activity are required to disclose the existence of all financial relationships with ineligible companies within the prior 24 months. Safeguards against commercial bias have been put in place. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. All those who are in a position to control the content of this educational activity have completed the disclosure process and have indicated that they do not have any relevant financial relationships or affiliations with any manufacturers or commercial products to disclose. There is no commercial interest support for this educational activity.

Continuing Education Credit:

To receive a certificate of continuing education, you must electronically sign-in for the session, participate in the entire live internet activity and complete the online evaluation. Participants will be able to print their certificate after completing the evaluation. Pharmacy CPE credits will be delivered via the CPE Monitor system. The evaluation for this session will close in two weeks after the presentation.

Accreditation:

In support of improving patient care, IHS Clinical Support Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the health care team, and learners will receive 1 Interprofessional Continuing Education (IPCE) credit for learning and change.

Physicians

The IHS Clinical Support Center designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses

This activity is designated 1.0 contact hour for nurses.

Pharmacists

This activity provides 1 hour of Knowledge-based continuing pharmacy education credit. Universal Activity Number: JA4008177-0000-22-039-L01-P

Credit will be uploaded to the NABP CPE Monitor within 30 days after the activity completion. It is the responsibility of the pharmacist to provide the correct information (NABP ID and DOB (MMDD)) in order to receive credit.

Physician Assistants

The IHS Clinical Support Center has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 1.0 AAPA Category 1 CME credit. PAs should only claim credit commensurate with the extent of their participation.

Social Workers

As a Jointly Accredited Organization, the IHS Clinical Support Center is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. Regulatory boards are the final authority on courses accepted for continuing education credit. Social workers completing this course receive 1.0 clinical continuing education credits.

Psychologists

Continuing Education (CE) credits for psychologists are provided through the co-sponsorship of the American Psychological Association (APA) Office of Continuing Education in Psychology (CEP) and the IHS Clinical Support Center. The IHS Clinical Support Center maintains responsibility for the content of the program. Psychologists completing this course receive 1.0 continuing education credit.

Recording:

This presentation will be recorded for those unable to join in real-time and made available as an on-demand CE activity.

Requirements:

To join the webinar, you must have a computer with Internet access or be able to call in. If you have trouble viewing this training on-line, check your system to make sure you have the appropriate hardware and software. If you need help or have any questions, PATH@Comagine.org.
