

Improvement Planning Table

Use this table to document, manage and keep track of multiple aims and associated small tests of change using Plan-Do-Study-Act (PDSA) cycles.

Aim Statements/Larger Process Goals (specific, measurable, actionable, realistic, timely)	Aim Lead (person responsible)
1.	
2.	
3.	
4.	
5.	
6.	
7.	

Use this table as a master list of each PDSA cycle and the concluding result. Use the PDSA worksheet to record/keep notes of each cycle.

Aim No./ Goal No.	PDSA (small change to test toward achieving aim)	Measure to Evaluate Success	Person Responsible	Due Date	Result (abandon, adapt, adopt)
